Dear Colleagues

RE: EAST AFRICA OIL AND GAS SUMMIT (EAGOS) SUMMARY

The Ministry of Energy & Petroleum is once more delighted to be associated with the East Africa Oil and Gas Summit to be held in November 15th -17th, 2016 at the Kenyatta International Conference Centre.

You may wish to note that a similar Summit was held in October 2014 with support and endorsement of this Ministry. The upcoming Summit will provide a platform for the East African Ministries and the National Oil Companies to engage with international and local investors to review and examine available opportunities across the region.

Considering the huge Agenda for the East African regional countries, we would appreciate it, if you would be part of the team to develop industry and achieve the oil and gas objectives for the region.

Please expedite.

Yours

Faithfully,

Andrew N. Kamau
